Hymn video – new for this year – 'We seek your kingdom'.

We seek your kingdom throughout every sphere

We long for heaven's demonstration here

Jesus your light shine bright for all to see

Transform, revive, and heal society

Before all things, in him were all things made

Inspiring culture, media, and trade

May all our work serve your economy

Transform, revive, and heal society

Peace, truth, and justice reigning everywhere

With us be present in our public square

Fill all who lead with your integrity

Transform, revive, and heal society

Forgive us Lord, when we have not engaged

Failing to scribe your heart on history's page

Make us again what we were made to be

Transform, revive, and heal society

Faithful to govern ever may we be

Selfless in service, loving constantly

In everything may your authority

Transform, revive, and heal society
